

Join us for “Our Catholic Family” faith sharing discussion group.

This group is open to parents and guardians working to raise their children in the Catholic faith.

Each family will receive a copy of the book “Our Catholic Family-Activities, Conversations and Prayer for Sharing Faith at Home” by David Dzienna and Gloria Shahin.

We will gather together three times during the 2017/2018 academic year to share our experiences with the book and offer support and ideas to foster a strong family faith life. Hospitality will be provided during the discussion sessions. We offer an evening and a morning time for faith sharing to accommodate the unique schedules of our participants.
